## *Macomb District Commissioner Speaks*

The mission of the MACOMB District, Great lakes Council, Boy Scouts of America is to develop leadership traits in the our youth and the adults that guide them. We will accomplish or mission by fostering an atmosphere that:" inspires people to adopt lifelong positive values, encourages service to society and community, promotes fun and adventure, instills love of God and Country, and embodies the ideals represented by the scout oath and law. "

If you did not recognize it, the mission statement above came from a handout for recruiting Unit Commissioners. Think about the mission statement for a few moments. That mission statement totally and completely embodies my belief in what Scouting is all about. I know that if you take a few moments to think about it you'll realize that it totally and completely embodies your aims and desires for the Scouting program in our children and their children's lives. It is why I emailed Council last year and told them I wanted to help. I really did not know what I wanted to do. I've been a Den leader, WEBELOS Leader, Asst Scout Master and Scout Master. That was around the 75th anniversary "Diamond Jubilee of the BSA." I came back just in time for the 100th anniversary of Scouting. I became a Unit Commissioner and then District Commissioner. I've found the one position in scouting that enables me to have the greatest impact on the lives of more people than any other. Along with this ability to have such a great impact on so many lives is the responsibility to impact these lives in a manner that is beneficial to our society. Read the 1st paragraph again before you go on.

"ON MY HONOR I WILL DO MY BEST TO DO MY DUTY TO GOD AND MY COUNTRY AND TO OBEY THE SCOUT LAW; TO HELP OTHER PEOPLE AT ALL TIMES; TO KEEP MYSELF PHYSICALLY STRONG, MENTALLY AWAKE, AND MORALLY STRAIGHT."

"A SCOUT IS TRUSTWORTHY, LOYAL, HELPFUL, FRIENDLY, COURTEOUS, KIND, OBEDIENT, CHEERFUL, THRIFTY, BRAVE, CLEAN, AND REVERENT."

These are the tools I as your District Commissioner and your Unit Commissioners will use to accomplish the above mission statement. If you feel the same way about I have the perfect job for you. We have 16 Unit Commissioners to serve you our Troops, Packs, and Crews. To improve the Scouting program and accomplish our mission statement we need minimum of 9 more Unit Commissioners. If you know someone that embodies the ideals of scouting let them know I have the perfect job for them.

Norman C. Anderson

## *District Professional Speaks*

### Macomb 2010 District Dinner

I am so happy to be a part of the wonderful district of Macomb. This district is made up of dedicated, talented and enthusiastic volunteers. It is a testament to those volunteers that Macomb offers such a great scouting experience to our youth. Through their talents and dedication, Macomb increased our Membership for the first time in years to over 7% during the Fall recruitment. We saw an increase in Webelos to Scout transition to over the National average. Roundtable attendance is up as more leaders and volunteers see the benefits of sharing ideas and building unit cooperation in Macomb. The praises for Macomb are numerous.

I'd like to personally thank each leader, parent and scout in Macomb for helping to build our scouting community. Tonight we will be honoring only a few of the numerous volunteers that deserve recognition. Congratulations to our Macomb Award recipients as well to ALL those who have helped our scouts toward becoming the leaders of tomorrow.

BOY SCOUTS OF AMERICA  
100 YEARS OF SCOUTING

CELEBRATING THE ADVENTURE  
CONTINUING THE JOURNEY

Volunteers are the conscience of our Scouting society, which allows us to weave compassion into the social fabric of Macomb County. All of you gathered here tonight focus on making life easier for our families to live with life's many challenges or to make a positive connection with the youth we serve.

Volunteers give to their communities their most precious asset – their time. Just as soldiers pledge their selfless service to the nation, volunteers give of their time to help others and make a difference in the community.

Tonight's celebration is a time to reflect on the many accomplishments of Macomb District volunteers and to think about the ways we can become active participants in building the strong communities for the future in our District. Our current partnership with Big Family of Michigan this past year is a perfect example of what our future would look like.

Our continued mission statement for Macomb District has not changed with the economy. In fact it is still quite simple. First: To become a trusted partner to everyone we work with in the community. Second: To foster partnerships with all agencies who share a similar set of beliefs to foster children's ethical, social and intellectual development.

As we pay tribute here tonight to our many outstanding volunteers, we must redouble our efforts to engage more American's in serving the youth of our community. No child should ever miss out on the fun and excitement of going to summer camp. No child should ever be left behind.

Volunteering is an active expression of your concern for the place you live in. Don't be shy, just pitch in and do what you can. Shaping the future for our children takes a community. They need us more than ever.

Yours in Service,  
Gary R. O'Green  
District Chairman
