Snapshot Of Adventure

The Bobcat Adventure is the first required Adventure on the trail to earn the Wolf badge of rank. Once the Bobcat Adventure is completed, Wolves can start any other of the Adventures in any order.

Safety Moment

Prior to any activity, use **Scouting America SAFE Checklist** to ensure the safety of all those involved.

All participants in official Scouting America activities should become familiar with the ***Guide to Safe Scouting*** and applicable program literature or manuals.

Be aware of state or local government regulations that supersede Scouting America practices, policies, and guidelines.

To assist in the safe delivery of the program you may find specific safety items that are related to requirements for the Adventure.

Before conducting a craft activity, review the Craft Tips video (2 minutes 34 seconds.)
